

# Project Status Report

PROJECT TITLE: Phase 2 Project

COMPANY NAME: Luny

PROJECT MANAGER: Walyce Almeida

DATE: March 9, 2022

## PROJECT SUMMARY

Phase 2 of the Luny social media mobile app is underway. We have successfully completed two features that have met our quality standards and attracted new users. But we uncovered an exciting new opportunity that shifted our focus to a new demographic of users who speak Spanish. So we will be basing the next few features on a new vision to go global.

## PROJECT HIGHLIGHTS/BLOCKERS

### Highlights:

- Two successful feature releases that have improved the quality of the app
- Analysis revealed a new opportunity for Spanish-language users

### Blockers:

- To build Spanish-language capabilities and meet our quality standards, we may need more time and resources
- May have to pause project to re-prioritize Sprints
